> submit the proposition to a vote of to health by his stay there. His many friends will be glad to hear this good name to health by his stay there. His capital takeoff of that peculiar for the proposition. They are declass which laterly has engrossed so manding a better school tax. The people of Montgomery County will, when an opportunity is offered, vote a tax of three mills on the cast is calculated to crown the the- dollar, on property, and on polls and privileges the same as the State tax. We need not expect great and deserved results from a fund sufficient to run our schools only about four months in the year. We need money enough to draw ers are poorly paid and are seeking clothes and dressed himself cap-apie employment in better fields. We in a new suit, consisting of hat, two can never elevate the standard of teaching by driving our best teachwould rather pay an expert \$10, than ecution of an important lawsuit, we would rather pay a first-class lawyer \$50, or even \$100, than a Main street, near First. Apply at we would better pay a teacher of CLARKSVILLE DISTRICT-TEXcompetency and experience a remunerative salary than employ a price, however small. Is Montgomery County to be left far behind many of her sister counties on their

person of incompetency at any march of progress? Is she not as fully able to educate her sons and daughters as other counties? Our rate of taxation for schools is far behind the average county of our State. I know occasionally we hear a man say he has no children to educate and should not be taxed to educate others, and he wishes the whole system of public schools abolsshed, etc. The good and upright may as well say they have no need of Court-houses, County-jails and State-prisons, and it is not right that they should be taxed to build and keep them up. A man that would abolish our public schools to-day has a heart so small and hard that I could box up a dozen of them in a mosquitoe's bladder and rattle them like beans in a gourd. Clarksville Tobacco No man has a right to enjoy life, who is not willing to contribute something of his means, time and talent to the general welfare. And

ering humanity better than in the enlightenment of the masses? More money will give us longer schools with better teachers. More money will make our schools so Common Lugs.

OFFICE OF THE CHRONICLE CLARKSVILLE, Tenn. March. 7, 1884. The attendance at the Tobacco Ex change was very large this week, many buyers from a distance being present. The offerings were over 400 hogsheads, and found a strong market, though with irregulcrities at times. Prices were satisfactory and rejections few in number. Receipts will increase as soon as the roads improve
